

Celebrating the Heroes in Your Heart.

Join us as we commemorate service and heroism. Recognize someone special with a Flag for Unity.

The Rotary Club of Allentown West is proud to present the 2nd Annual Flags for Unity event, where community members honor their heroes in the military, veterans, first responders, or other loved ones with a commemorative American flag. Hundreds of flags will be displayed for public viewing 24 hours a day during the event. Flags can

be purchased individually or in groups. Event sponsorships are available at many different levels (see reverse). Proceeds from the Flags for Unity will benefit the community through the Allentown West Rotary Club Foundation, which upholds the value of **Service Above Self** and believes in helping others both locally and globally.
